

# Degerforsens Power Plant

## Junsele, Sweden

Unmanned power stations need reliable, maintenance-free equipment. Gräningeverket chose Bernoulli Filters as intake water filters for generator and bearing cooling at the Degerforsens plant in Junsele.

### FACTS AND FIGURES

Customer:	Degerforsens Power Plant
Location:	Gräningeverket Junsele Sweden
Application:	River water for cooling in power station
Filter model:	BSP 100
Filtration:	1.0 mm
Operating flow:	120 m <sup>3</sup> /h
Design pressure:	150 psig
Operating pressure:	18 psig
Serial Nr:	1240
